

I searched the networks for any news of the proposed changes in ownership rules. I found none. It is evident that the owners would not wish the public to know of the changes and they have the ability to block the information. With fewer owners, the ability to limit information would be even better. "I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules."
